## Specialists Across South Carolina Now Available for eConsults

Providers can now request eConsults with care specialists across South Carolina, thanks to ReferWell. Participating specialists can offer advice on the next step of the care journey, expert guidance on solving cases locally, or help in avoiding unnecessary patient visits. Responses to eConsult requests are guaranteed within two business days.

### We support registered providers by delivering:

eConsults with care specialists, who are experts in their field

Direct consult notes and recommendations

Rapid responses to eConsult questions, in no more than 2 business days

### How to Get Started:

1. Sign up online at <https://www.referwell.com/public/sign-up> or contact ReferWell support to create an account.
2. Activate your profile by clicking on the registration link that should have been sent to your email.
3. Sign up for a 15-minute training with a ReferWell team member or take the brief, self-guided training course in the ReferWell Help Center.
4. Start sending eConsults!
